

**One in six American women
has been the victim/survivor of
an attempted or completed rape***

**One in ten American men has been
the victim/survivor of sexual assault***

One is too many.

Sexual Assault is a serious crime, not a simple misunderstanding.

The **UCSF Center for Gender Equity (CGE)** is here to help both survivors of sexual assault and those who know someone who has been sexually assaulted.

Please call CGE's sexual and relationship violence resource coordinator at 415.476.5223 for assistance.
